NOTICE IS HEREBY GIVEN that an annual and special meeting (the “**Meeting**”) of the holders (the “**Shareholders**”) of common shares (the “**Shares**”) of Gravitas Financial Inc. (the “**Corporation**” or “**Gravitas**”) will be held at the offices of Gravitas Financial Inc., 333 Bay Street, 17th Floor, Toronto, Ontario on Thursday, April 5, 2018, at 10:00 a.m. (Toronto time), for the following purposes:

4. **TO CONSIDER** and, if deemed advisable, to pass, with or without variation, an ordinary resolution of the Shareholders to approve the Corporation’s new stock option plan, as more particularly described in the accompanying Management Information Circular (the “**Circular**”);
5. **TO CONSIDER** and, if deemed advisable, to pass, with or without variation, a special resolution, substantially in the form set forth in the Circular authorizing an amendment to the articles of the Corporation to potentially consolidate the Shares on a one (1) new common shares for up to ten (10) old common shares basis; and

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof is February 20, 2018 (the “**Record Date**”). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of, and to vote, at the Meeting or any adjournments or postponements thereof.

Notice-and-Access

The Corporation is using the notice-and-access provisions (“**Notice-and-Access**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of the Circular and related materials (“**Proxy-Related Materials**”) to non-registered (or beneficial) Shareholders (“**Non-Registered Shareholders**”). The Corporation is not using Notice-and-Access for delivery to Shareholders that hold their Common Shares directly in their respective names (“**Registered Shareholders**”). Registered Shareholders will receive paper copies of the Proxy-Related Materials by prepaid mail.

Website Where Meeting Materials are Posted

Notice-and-Access allows reporting issuers to post electronic versions of Proxy-Related Materials through the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Non-Registered Shareholders. Electronic copies of the Circular, the annual financial statements of the Corporation for the year ended December 31, 2016 and management’s discussion and analysis of the Corporation’s results of operations and financial condition for the year ended December 31, 2016 may be found on SEDAR at www.sedar.com under the Corporation’s profile and also on the Corporation’s website at www.gravitasfinancial.com. In relation to the Meeting, all Non-Registered Shareholders will receive the required

documentation under Notice-and-Access, which *will not* include a paper copy of the Circular. Registered Shareholders *will* receive a paper copy of the Circular.

Obtaining Paper Copies of Materials

The Corporation anticipates that using Notice-and-Access will directly benefit the Corporation through a material reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing Proxy-Related Materials. Shareholders with questions about the Notice-and-Access may call the Corporation's register and transfer agent, Computershare Investor Services Inc. at 1-866-962-0498 (toll-free). Shareholders may also obtain paper copies of Proxy-Related Material free of charge by contacting Computershare Investor Services Inc. at 1-866-962-0498 (toll-free) or by facsimile at 1-866-249-7775; or by internet at www.investorvote.com; or upon request to the Corporate Secretary of the Corporation.

A request for paper copies of Proxy-Related Materials which are required in advance of the Meeting should be made so that they are received by Computershare Investor Services Inc. or the Corporation, as applicable, by Thursday, March 15, 2018, in order to allow sufficient time for Non-Registered Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries before April 3, 2018, at 10:00 a.m. local time, being the date that is not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof (the "**Proxy Deadline**").

Voting

All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy.

FORM OF PROXY FOR REGISTERED SHAREHOLDERS

Completed proxies, for registered Shareholders, must be returned to Computershare Investor Services Inc. (i) by mail to Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Ave., 8th Floor, Toronto, ON M5J 2Y1; or (ii) by facsimile at 1-866-249-7775; or (iii) by internet at www.investorvote.com; in any case, by no later than 10:00 am (Toronto time) on April 3, 2018, being the Proxy Deadline.

VOTING INSTRUCTION FORMS FOR NON-REGISTERED SHAREHOLDERS

Non-Registered Shareholders who have not waived the right to receive the Proxy-Related Materials will either: (i) receive a voting instruction form; or (ii) be given a proxy which has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted to the number of Shares beneficially owned by the Non-Registered Shareholder, but which is otherwise not completed.

Non-Registered Shareholders should carefully follow the instructions that accompany the voting instruction form or the proxy, including those indicating when and where the voting instruction form or the proxy is to be delivered. Voting instructions must be deposited by the Proxy Deadline, however your voting instruction form may provide for an earlier date in order to process your votes in a timely manner. Voting instruction forms permit the completion of the voting instruction form online or by telephone. A Non-Registered Shareholder wishing to attend and vote at the Meeting in person should follow the corresponding instructions on the voting instruction form or, in the case of a proxy, strike out the names of the persons named in the proxy and insert the Non-Registered Shareholder's name in the space provided.

DATED this 20th day of February, 2018.

BY ORDER OF THE BOARD OF DIRECTORS

"Ernie Eves"

Ernie Eves

Chairman of the Board

SOLICITATION OF PROXIES AND VOTING INSTRUCTIONS

Solicitations of Proxies by Management

This Circular is furnished in connection with the solicitation of proxies by or on behalf of management of Gravitas, for use at the annual and special meeting (the “**Meeting**”) of Shareholders to be held on **Thursday, April 5, 2018 at 10:00 a.m. (Toronto time) at the offices of the Corporation, 333, Bay Street, 17th Floor, Toronto, Ontario**, and at all postponements or adjournments thereof, for the purposes set forth in the accompanying notice of the Meeting (the “**Notice of Meeting**”). It is expected that the solicitation of proxies will be primarily by mail, however, proxies may also be solicited by the officers, directors and employees of the Corporation and/or a proxy solicitation firm by telephone, electronic mail, facsimile or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of soliciting proxies in connection with the Meeting will be borne directly by the Corporation.

The board of directors of Gravitas (the “**Board**”) has fixed the close of business on **February 20, 2018 as the Record Date**, being the date for the determination of the Registered Shareholders entitled to receive notice of, and to vote at, the Meeting. All duly completed and executed proxies must be received by the Corporation’s registrar and transfer agent, Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, fax number 1-866-249-7775, not later than 10:00 a.m. (Toronto time) on April 3, 2018, subject to adjournments or postponements of the date or time set for the Meeting. The Chairman of the Meeting has the discretion to accept late proxies.

Notice-and-Access

As noted above, the Corporation is using Notice-and-Access for distribution of Proxy-Related Materials to Non-Registered Shareholders and is using mailing of paper copies of Proxy-Related Materials to Registered Shareholders. Notice-and-Access allows reporting issuers to post electronic versions of Proxy-Related Materials through the System for Electronic Document Analysis and Retrieval (“**SEDAR**”) and one other website, rather than mailing paper copies of such materials to Non-Registered Shareholders. Electronic copies of the Circular, the annual financial statements of the Corporation for the year ended December 31, 2016 (“**Financial Statements**”) and management’s discussion and analysis of the Corporation’s results of operations and financial condition for the year ended December 31, 2016 (“**MD&A**”) may be found on SEDAR at www.sedar.com under the Corporation’s profile and also on the Corporation’s website at www.gravitasfinancial.com. In relation to the Meeting, Non-Registered Shareholders will receive the required documentation under Notice-and-Access, which *will not* include a paper copy of the Circular. Registered Shareholders *will* receive paper copies of the Circular. **Shareholders are reminded to review this Circular before voting.**

Although this Circular, the Financial Statements and the MD&A will be posted electronically on-line as noted above, Registered Shareholders will receive paper copies of a “notice package” via prepaid mail containing a notice with information prescribed by NI 54-101 and NI 51-102, a form of proxy or voting instruction form, and supplemental mail list return card for Shareholders to request they be included in the Corporation’s supplementary mailing list for receipt of the Corporation’s annual financial statements for the 2017 fiscal year.

The Corporation anticipates that using Notice-and-Access will directly benefit the Corporation through a material reduction in both postage and material costs, and promotes environmental responsibility by decreasing the large volume of paper documents generated by printing Proxy-Related Materials.

Shareholders with questions about the Notice-and-Access may call the Corporation’s register and transfer agent, Computershare Investor Services Inc. at 1-866-962-0498 (toll-free). Shareholders may also obtain paper copies of Proxy-Related Material free of charge by contacting Computershare Investor Services Inc. at 1-866-962-0498 (toll-free) or by facsimile at 1-866-249-7775; or by internet at www.investorvote.com; or upon request to the Corporate Secretary of the Corporation.

A request for paper copies of Proxy-Related Materials which are required in advance of the Meeting should be made so that they are received by Computershare Investor Services Inc. or the Corporation, as applicable, by Thursday, March 15, 2018, in order to allow sufficient time for Non-Registered Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries before April 3, 2018, at 10:00 a.m. local time, being the date that is not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof (the “**Proxy Deadline**”).

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person’s name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of Computershare Investor Services Inc., at the address provided herein, not later than the Proxy Deadline.

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy. To be valid, a form of proxy must be executed by a Shareholder or a Shareholder’s attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Voting of Proxies

The Shares represented by the accompanying form of proxy (if properly executed and received at the offices of Computershare Investor Services Inc. at the address provided herein, not later than the Proxy Deadline), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting or voted in favour or against, as applicable, in accordance with the specification made on any ballot that may be called for. In the absence of such specification, proxies in favour of management will be voted in favour of the resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting of Shareholders and with respect to other matters which may properly come before the Meeting. At the time of printing of this Circular, management knows of no such amendments, variations, or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by: (a) completing and signing a proxy bearing a later date and depositing it at the offices of Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, fax number 1-866-249-7775; (b) depositing an instrument in writing executed by the

Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney either with Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, fax number 1-866-249-7775, at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or (c) in any other manner permitted by law. Such instrument will not be effective in respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting by Non-Registered Shareholders

Only Registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are Non-Registered Shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank, or trust company through which they purchased the Shares. Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("**CDS**") of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Meeting of Shareholders, this Circular and the form of proxy (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either: (a) be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. A Non-Registered Shareholder who receives a voting instruction form cannot use that form to vote his or her Shares at the Meeting; or (b) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder, but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare Investor Services Inc. (Attention: Proxy Department), 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, fax: 1-866-249-7775.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the voting instruction form and insert the Non-Registered Shareholder or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.** A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting.

- Eligible participants are employees, officers and directors of, or consultants to, the Corporation or its affiliates, which may be designated from time to time by the directors of the Corporation.
- The maximum number of Shares to be issued pursuant to the Stock Option Plan shall not exceed 10% of the issued and outstanding Shares at the time of the stock option grant.
- The Board determines the exercise price of each option at the time the option is granted, provided that such price is not lower than the greater of the closing market price of Shares on (a) the trading day prior to the date of grants of the stock option, and (b) the date of grant of the stock option, pursuant to the rules of the Canadian Securities Exchange (the "**Exchange**").

- The period of time during which a particular option may be exercised is determined by the Board, subject to any employment contract or consulting contract, provided that no such option term shall exceed 10 years.
- Options may terminate prior to expiry of the option term in the following circumstances: (i) on the death, disability or retirement of an optionee, options vested as at the date of such event are immediately exercisable until the earlier of 180 days from such date and expiry of the option term; and (ii) if an optionee ceases to be a director, officer, employee and consultant of the Corporation for any reason other than death, disability or retirement, including receipt of notice from the Corporation of the termination of his, her or its employment contract or consulting contract, options vested as at the date termination are exercisable until the earlier of 90 days following such date (which date may be extended by the Board to a date that is 12 months following such date) and expiry of the option term.
- In the event of (i) the Corporation accepts an offer to amalgamate, merge or consolidate with any other corporation (other than a wholly-owned subsidiary) or in the event that holders of greater than 50% of the Corporation's outstanding Shares accept an offer made to all or substantially all of the holders of the Shares of the Corporation to purchase in excess of 50.1% of the current issued and outstanding Shares, or (ii) the Corporation accepts an offer to sell all or substantially all of its property and assets so that the Corporation shall cease to operate as an active business, then at the discretion of the Board at the time of grant or at any time thereafter, all unvested options shall, without any further action on behalf of the Corporation be automatically vested and may be exercised within a specified period thereafter.
- Options and rights related thereto held by an optionee are not to be assignable or transferable except on the death of the optionee.
- The Board may from time to time in its absolute discretion amend, modify and change the provisions of the Plan or any options granted pursuant to the Plan, provided that any amendment, modification or change to the provisions of the Plan or any options granted pursuant to the Plan shall not adversely alter or impair any option previously granted and be subject to regulatory approvals, including, where applicable, the approval of the Exchange in various circumstances as more particularly set forth in the Plan.
- The Board may discontinue the Plan at any time without consent of the participants under the Stock Option Plan provided that such discontinuance shall not adversely alter or impair any option previously granted.

As of February 20, 2018, the Corporation has 72,601,305 Shares issued and outstanding. Subject to shareholder approval of the Stock Option Plan, a total of 7,260,130 options are currently available to be granted pursuant to the Stock Option Plan. As of February 20, 2018, no options had been granted pursuant to the Stock Option Plan and 7,260,130 options were still available to be granted. It is anticipated that stock options will be issued by the Board imminently. It is the intent of the Corporation to terminate the 2012 Stock Option Plan (as defined below) upon the approval of the Stock Option Plan by the Shareholders.

Resolution to Approve the Stock Option Plan

Shareholders are being asked to pass the following resolution to approve the Stock Option Plan (the "**Stock Option Plan Resolution**"):

"BE IT RESOLVED THAT: 1. the Stock Option Plan in the form attached as Schedule "B" to the Circular is hereby approved, adopted and confirmed; and 2. any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise, and to deliver or to cause to be delivered, all such documents, agreements and instruments, and to do or to cause to be done all such other acts and things, as such person determines to be necessary or desirable or required by any regulatory authority in order to carry out the intent of this resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of such document, agreement or instrument or the doing of any such act or thing."

Recommendation of the Board

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOUR OF THE STOCK OPTION PLAN RESOLUTION. Unless otherwise directed, it is the intention of the management designees to vote proxies in the accompanying form IN FAVOUR of the Stock Option Plan resolution. The Stock Option Plan Resolution must be approved by a majority of the votes cast by the Shareholders present at the meeting in person or by proxy in order to become effective.

E. Approval of Share Consolidation

The Corporation seeks Shareholder approval at the Meeting for a special resolution to consolidate (the “**Consolidation**”) all of the issued and outstanding Shares on the basis of one (1) post-Consolidation common share for up to ten (10) pre-Consolidation common shares, or a ratio that is less at the discretion of the Board, with the Consolidation to be implemented by the Board at any time prior to the next annual meeting of the Shareholders. Voting for this resolution does not automatically mean that the Consolidation will occur, rather a vote for this resolution will give the Board the authority, should they decide that it is in the best interest of the Corporation, to complete the Consolidation. The following table outlines the number of common shares that would exist following the Consolidation at various theoretical ratios. Any consolidation remains subject to all required regulatory approvals. As of the date of this Circular, there are 72,601,305 Shares issued and outstanding.

Ratio	Number of Shares Post-Consolidation
2 for 1	36,600,653
3 for 1	24,200,435
4 for 1	18,150,327
5 for 1	14,520,261
6 for 1	12,100,218
7 for 1	10,371,615
8 for 1	9,075,163
9 for 1	8,066,812
10 for 1	7,260,131

Reasons for the Consolidation

Management of the Corporation believes that a Consolidation may provide flexibility in the capital structure of the Corporation in order to facilitate raising capital in the future while keeping the Corporation’s capital structure manageable.

Effect on Shares and Convertible Securities

The Consolidation will not materially affect the percentage ownership in the Corporation by the Shareholders even though such ownership will be represented by a smaller number of Shares. The Consolidation will merely proportionately reduce the number of Shares held by the Shareholders.

The exercise or conversion price and/or the number of Shares issuable under any outstanding convertible securities, including under outstanding options, warrants, rights and any other similar securities will be proportionately adjusted upon the implementation of the Consolidation, in accordance with the terms of such securities, on the same basis as the consolidation of the Shares.

Fractional Shares

If, as a result of a Consolidation, a Shareholder would otherwise be entitled to a fraction of a post-Consolidation common share in respect of the total aggregate number of pre-Consolidation common shares held by such Shareholder, no such fractional common share will be awarded. All fractions of post-Consolidation common shares will be rounded to the next lowest whole number if the first decimal place is less than five and rounded to the next highest whole number if the first decimal place is five or greater. Except for any change resulting from the rounding described above, the change in the number of post-Consolidation common shares outstanding that would result from the Consolidation will cause no change in the stated capital attributable to the Shares.

Certain Risks Associated with the Consolidation

There can be no assurance that the total market capitalization of the Corporation (the aggregate value of all Shares at the market price then in effect) immediately after the Consolidation will be equal to or greater than the total market capitalization immediately before the Consolidation. In addition, there can be no assurance that the per share market price of the Shares following the Consolidation will remain higher than the per-share market price immediately before the Consolidation or equal or exceed the direct arithmetical result of the Consolidation. In addition, a decline in the market price of the Shares after the Consolidation may result in a greater percentage decline than would occur in the absence of a Consolidation and the liquidity of the Shares could be adversely affected. Further, there can be no assurance that, if the Consolidation is implemented, the margin terms associated with the purchase of Shares will improve or that the Corporation will be successful in receiving increased attention from institutional investors.

Implementation, Notice of Consolidation and Letter of Transmittal

Upon determining to proceed with the Consolidation, the Corporation will file articles of amendment to effect the Consolidation. Prior to the completion of a Consolidation, the Corporation will provide Registered Shareholders with a letter of transmittal for use in transmitting their share certificates to the Corporation's transfer agent in order to exchange old certificates for new certificates representing the number of common shares to which such Shareholder is entitled as a result of the Consolidation. No delivery of new certificates to a Shareholder will be made until the Shareholder has surrendered their current issued certificates. Until surrendered, each share certificate formally representing old common shares of the Corporation shall be deemed for all purposes to represent the number of new common shares to which the holder is entitled as a result of the Consolidation. No fractional shares will be issued in connection with the Consolidation.

The implementation of the special resolution is conditional upon the Corporation obtaining the necessary regulatory consents. The special resolution provides that the Board of Directors is authorized, in its sole discretion, to determine not to proceed with the proposed Consolidation, without further approval of the Shareholders. In particular, the Board of Directors may determine not to present the special resolution to the Meeting or, if the special resolution is presented to the Meeting and approved, may determine after the meeting not to proceed with completion of the proposed Consolidation and filing the articles of amendment.

Subject to applicable regulatory requirements, a Consolidation will be effective on the date on which articles of amendment of the Corporation are filed and certified by the Ministry, on which the directors of the Corporation determine to carry out the Consolidation. If a Consolidation is approved, no further action on the part of the Shareholders will be required in order for the Board to implement a Consolidation.

Procedure for Non-Registered Shareholders

Non-Registered Shareholders holding their Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the Consolidation than those that will be put in place by the Corporation for Registered Shareholders. If you hold Shares with such bank, broker or other nominee and if you have questions in this regard, you are encouraged to contact your nominee to obtain instructions for processing the Consolidation.

Resolution to Approve the Consolidation

Shareholders are being asked to pass the following special resolution to approve the Consolidation (the "Consolidation Resolution"):

"BE IT RESOLVED THAT: 1. the Board be authorized, subject to approval of the applicable regulatory authorities, to take such actions as are necessary to consolidate, at any time following the date of this resolution but prior to the next annual meeting of shareholders of the Corporation, all of the issued and outstanding common shares on the basis that up to ten (10) pre-consolidation common shares, or a ratio that is less at the discretion of the Board, be consolidated into one (1) post-consolidation common share; 2. despite the foregoing authorization, the Board may, at its absolute discretion, determine when such consolidation will take place and may further, at its discretion, determine not to effect such consolidation of all of the issued and outstanding common shares, in each case without requirement for further approval, ratification or confirmation by the Shareholders; 3. any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise, and to deliver or to cause to be delivered, all such documents, agreements and instruments, and to do or to cause to be done all such other acts and things, as such person determines to be necessary or desirable or required by any regulatory authority in order to carry out the intent of this resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of such document, agreement or instrument or the doing of any such act or thing; and 4. notwithstanding the foregoing, the Board is hereby authorized, without further approval of or notice to the Shareholders, to revoke this special resolution at any time before it is acted upon."

Recommendation of the Board

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOUR OF THE CONSOLIDATION RESOLUTION. Unless otherwise directed, it is the intention of the management designees to vote proxies in the accompanying form IN FAVOUR of the Consolidation Resolution. The Consolidation Resolution must be

approved by an affirmative vote of not less than two-thirds (or 66-2/3%) of the votes cast by the Shareholders represented at the Meeting in person or by proxy.

Stock Option Plan and other Incentive Plans

The Corporation proposes to implement a new stock option plan as described under the heading “Particulars of Matters to be Acted Upon – Approval of the Stock Option Plan”. It is the intent of the Corporation to terminate the 2012 Stock Option Plan upon the approval of the Stock Option Plan by the Shareholders.

The Corporation’s existing stock option plan (the “**2012 Stock Option Plan**”) was adopted by the board of directors on May 15, 2012 and approved by the Shareholders on June 1, 2012. Pursuant to the 2012 Stock Option Plan, the Board may, from time to time and at its discretion, grant to directors, officers, employees or consultants of the Corporation (the “**Beneficiaries**”) options to acquire common shares of the Corporation for a maximum of 10% of the number of outstanding Shares of the Corporation at the time of the grant.

Options are not transferable and are valid for five years from the date of grant. The exercise price per Share is fixed by the Board but cannot be less than the closing price of the shares on the Canadian Securities Exchange the day before the grant. Options granted to a Beneficiary who is no longer eligible under the 2012 Stock Option Plan will expire three months following the date such person ceases to be a Beneficiary for the purposes of the 2012 Stock Option Plan.

The Board may appoint a committee to administer the 2012 Stock Option Plan (the “**Plan Committee**”), If such a committee is not so appointed, the Board shall be deemed to constitute the Plan Committee. The exercise price per Share is fixed by the Plan Committee but shall not be less than the greater of the closing market prices of the Shares on (a) the trading day prior to the date of grant of the options; and (b) the date of the grants of the options.

The number of Shares which may be issued pursuant to options granted pursuant to the 2012 Stock Option Plan to any one person may not exceed 5% of the aggregate issued and outstanding Shares (calculated as at the time of grant of such option) in any 12-month period unless disinterested shareholder approval is obtained. No consultant nor any employee conducting investor relations activities may be granted options to acquire more than 2% of the issued and outstanding Common Shares (calculated as at the time of grant of such option) in any 12- month period.

The expiry date of each option shall be determined by the Board or the Plan Committee or, failing such determination and in any event, not later than that date which is five years after the grant of the option. The vesting of each option shall be determined by the Plan Committee, failing which, the options shall vest as to 25% immediately upon the date of grant and as to a further 25% in each of (i) one year, (ii) 18 months and (iii) two years, after the date of grant.

Options are not transferable except by will or the laws of succession and distribution. If the optionholder (a) dies, or (b) ceases to be eligible under the Plan (for any reason other than resignation termination for cause or resignation or failure to be re-elected as a Director), then generally, options that are entitled to be exercised may be exercised (subject to certain entitlements to exercise unvested options at the discretion of the Board or the 2012 Stock Option Plan) until the earlier of (i) one year or three months, respectively, of the applicable date, or (ii) the expiry date of the option. If the Corporation or its Shareholders receive and accept an offer to acquire all of the Shares or substantially all of the assets of the Corporation (the “**Sale Transaction**”), the Plan Committee may, in its sole discretion, deal with the options issued under the Plan in the manner it deems fair and reasonable, including accelerating the expiry date of the options, providing for cash compensation or exchanging options for options to acquire shares in the capital of the acquirer or resulting corporation in connection with the Sale Transaction.

The Plan Committee may at any time amend any provision of the Plan subject to obtaining any necessary approval of the applicable regulatory authorities, provided that any such amendment shall not adversely affect or impair any option previously granted to an optionee under the 2012 Stock Option Plan, without its consent.

Employment, Consulting and Management Agreements

Both Mr. Ranjan and Mr. Karamadam have an employment agreements in place with the Corporation, whereby they are entitled to a base salary of \$300,000 per annum plus a discretionary bonus to be determined by the Board. Further, each are entitled to a \$24,000 annual car allowance. Should either be terminated without cause, they shall be entitled to severance totalling 24 months of compensation, which includes salary, the amount of bonus paid during the preceding year.

Mr. Liabotis has an employment agreement in place with the Corporation, whereby he is entitled to a base salary of \$180,000 per annum plus a discretionary bonus targeted to be between 10% and 30% of his base compensation.

Oversight and Description of Director and NEO Compensation

Directors

Each of the non-employee directors of the Corporation is entitled to receive compensation based on their Board title, the committees that they serve on and their tenure on the Board. Mr. Eves is entitled to compensation totalling \$72,000 by virtue of the fact that he is both the Chairman of the Board and Chairman of the Compensation Committee as well as his long tenure on the Board. Mr. Goldberg is entitled to compensation totalling \$36,000 by virtue of the fact that he has been a director for two years and serves as Chair of the Audit Committee. No other retainers or fees are paid to any members of the Board. Non-employee Directors are reimbursed for all reasonable travel and ancillary expenses. The following table describes director compensation for the year ended December 31, 2017. Directors who are also officers of the Corporation are not entitled to any compensation for their services as a director.

Named Executive Officers

The Board has overall responsibility for determining and implementing the Corporation's philosophy with respect to executive compensation. The Board makes all compensation decisions for the NEOs, which currently consists of base cash compensation. The base cash compensation for each NEO is based on the position held, the individual's demonstrated ability to perform the role, skill requirements, level of responsibility and market value of the role. The base cash compensation review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base compensation is not evaluated against a "peer group" and the Corporation does not use benchmarking or performance goals in determining executive compensation. The Corporation has not retained compensation consultants to advise on executive compensation but instead relies on the general experience of its members in setting base compensation amounts. The Corporation does not anticipate making any significant changes to its compensation policies and practices in the next financial year.

Pension Disclosure

The Corporation does not have any pension plans.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of Directors

Two of the Corporation's five Board members are individuals who qualify as independent. Each of Mr. Eves and Mr. Goldberg is deemed independent since in the Board's opinion, they are unrelated to management and free of all interests, business dealings or other relationships, which could or could conceivably be perceived as being able to significantly interfere with the ability of such directors to act in the best interests of the Corporation, other than the interest and relationship that arises from stock ownership. Mr. Carbonaro, Mr. Karamadam and Mr. Ranjan are deemed directors who are "not independent" since they are part of the senior management of the Corporation.

The following table sets forth details regarding other public company directorships and committee appointments currently held by the Corporation's directors:

In addition, all directors have an office, or access to an office, at the Corporation's primary place of business allowing them to remain up to date on the Corporation's events. On account of the limited number of directors and the venture nature of the Corporation, no formal training system has been created.

Ethical Business Conduct

The Board acknowledges that it shall take on the responsibility of overseeing the competent and ethical operation of the Corporation. In order to guarantee that the directors exercise their judgment in an independent fashion when examining operations and contracts in which a director or a member of senior management has a significant interest, such transactions shall be reviewed and approved only by directors assembled together in a committee of the Board,

where the director who has such an interest shall refrain from participating in the discussions and from voting on the matter. In addition, the Corporation shall take steps to ensure that directors do not undertake any transactions involving the Corporation's stock when important information is about to be communicated.

Nomination of Directors and Compensation

The President and/or the Chief Executive Officer of the Corporation will propose qualified candidates to fill vacant positions on the Board. In order to determine the compensation of the directors, the Board shall notably take into account the contribution made by the directors to the Corporation.

Board Committees

There are two committees of the Board, the Audit Committee and the Compensation Committee.

Assessments

Given the small size of the Corporation, it has limited human and financial resources, the Board, as a whole, is not subject to a formal evaluation. The members of the Board can always freely express their opinion and suggest changes if the contribution of a member is judged unsatisfactory.

SCHEDULE “A” AUDIT COMMITTEE CHARTER

Purpose

The audit committee is a standing committee of the board of directors. Its primary duty is to assist the board of directors in fulfilling its supervisory role with regard to the following:

1. The completeness of the consolidated financial statements and the information provided to shareholders and to other persons concerned.
2. The Corporation’s compliance with financial regulatory requirements.
3. The accuracy and effectiveness of the internal control mechanisms implemented and maintained by management.
4. The competency, independence and performance of the external auditor who must report to the audit committee, to the board of directors and to the shareholders.

Composition

The audit committee is comprised of at least three directors, including one chairman, who are named by the board of directors every year after the annual meeting. The majority of the committee members must not be officers or other employee of the Corporation or of an affiliate.

Each committee member must meet the requirements in matters of independence, financial knowledge and experience, the requirements of the applicable laws that govern the Corporation and the rules of the Stock Exchanges on which the Corporation’s shares are listed as well as the requirements of competent securities authorities.

The board of directors may, at any time, terminate a committee member’s duties or replace him or her and it must fill vacant positions on the committee.

Structure and functioning

The chairman of the board, the chairman of the committee or two members of the committee may call a committee meeting at any time. The committee meets as required but not less than four times per year. Quorum is reached where two members are present at committee meetings, irrespective of their status, and the composition thereof must comply with the requirements of the *Canada Business Corporations Act*.

The chairman of the committee, in cooperation with the chairman of the board, draws up the agenda for each committee meeting taking into account the items appearing in the committee’s activity program which is approved each year by the board of directors. At each meeting, the committee may also sit privately with only the committee members in attendance. The committee may retain the services of special consultants, where it deems it expedient, at the expense of the Corporation.

The chairman of the committee or the person appointed by him or her submits a committee activity report to the board of directors after each meeting and makes recommendations to the board of directors regarding issues that require board approval.

Each year, the committee reviews this charter and the items appearing in the committee activity program and, where necessary, recommends changes to the board of directors so that it will approve them. The committee will prepare a report to be attached to the proxy documents regarding the annual meeting.

Together with the board of directors, the committee evaluates and considers the committee’s annual performance.

Duties and responsibilities of the audit committee and review

1. Review the unaudited interim consolidated financial statements and management’s analysis of the financial situation and operating results with management and the external auditors by addressing, in particular, with the external auditors, questions that must be the subject matter of discussion pursuant to the generally accepted auditing standards that apply to the Corporation.

Ensure the independence of the external auditor, given the requirements in respect thereto provided by the laws governing the Corporation and by the applicable rules of the Stock Exchanges on which the Corporation's shares are listed. At least once a year, the external auditor submits a written statement to the committee outlining all its relations with the Corporation; the committee reviews it with him or her and, where necessary, recommends that the board take the requisite measures to ensure the independence of the external auditors and their responsibility toward the committee and the board.
7. Evaluate the performance of the external auditor and recommend to the board the appointment or, where it deems it expedient, the replacement of the external auditor subject to shareholder approval.
8. Consider, review and approve the services offered by the external auditor and the fees to be paid to the external auditors with regard to the audit, to the related services rendered and to other services that are provided for by law and that comply with the guidelines established by the board limiting the recourse to the services of the external auditor.
9. Review with the external auditor and management the general scope of the annual audit plan and the resources that the external auditor will devote to the audit.

The Board shall receive recommendations of management and shall determine and designate from time to time those Eligible Persons to whom an Option should be granted, the number of Shares which will be optioned from time to time to any Eligible Person and the terms and conditions of the Option.
- (b) Subject to Applicable Law, Section 3.1(c) and the limitations of the Plan, the Plan will be administered by the Board and the Board has the sole and complete authority, in its discretion, to:
- (i) determine which Persons are Eligible Persons;
 - (ii) grant Options to Eligible Persons;
 - (iii) determine the terms, limitations, restrictions and conditions upon such grants;
 - (iv) interpret and construe the terms and conditions of the Plan and the Options;
 - (v) adopt, amend and rescind such administrative guidelines and other rules relating to the Plan as the Board may from time to time deem advisable; and
 - (vi) make all other determinations and to take all other actions in connection with the implementation and administration of the Plan as the Board may deem necessary or advisable.

The Board may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any agreement relating thereto in the manner and to the extent it shall deem necessary to effectuate the purpose and intent of the Plan. The Committee may adopt special guidelines and provisions for Persons who are residing in, or subject to, the taxes of, any jurisdiction outside of Canada (including, without limitation, countries, states, provinces and localities) to comply with applicable tax, and securities and other laws and may impose any limitations and restrictions that it deems necessary to comply with the applicable tax, securities and other laws of such jurisdiction outside of Canada.

The Board’s interpretation, construction or determination of its guidelines and rules will be conclusive and binding upon all parties concerned. The day-to-day administration of the Plan may be delegated to such officers and employees of the Corporation or of an Affiliated Corporation as the Board may in its sole discretion determine.

- (c) To the extent permitted by Applicable Law, the Board may, from time to time, delegate to a committee (the “**Committee**”) of the Board all or any of the powers conferred on the Board under the Plan. In such event, the Committee will exercise the powers delegated to it by the Board in the manner and on the terms authorized by the Board. Any decision made or action taken by the Committee arising out of or in connection with the administration or interpretation of the Plan in this context is final and conclusive. If the Committee is appointed,

No fractional Shares may be issued, and the Board may determine the manner in which any fractional Share value will be treated.

3.3 Eligibility

Participation in the Plan shall be limited to Eligible Persons. Participation shall be voluntary and the extent to which any Eligible Person shall be entitled to participate in the Plan shall be, subject to the terms of the Plan and Applicable Law, determined in the sole and absolute discretion of the Board. - (c) An Eligible Person may receive Options on more than one occasion under the Plan and may receive separate Options on any one occasion.

4.2 Exercise Price

Subject to Applicable Law and to adjustment from time to time in accordance with Section 5.1, the exercise price (the "**Exercise Price**") of an Option granted pursuant to the Plan will be as determined by the Board at such time as such Option is allocated under the Plan but in any event shall not be less than the Fair Market Value.

4.3 Term of Options

Subject to any accelerated termination as set forth in the Plan, Options must expire no later than ten (10) years after the Date of Grant or such lesser period as applicable regulatory authorities or Applicable Law may require.

4.4 Vesting of Options

- (a) The Board may determine, in its sole discretion, in respect of an Option, when an Option will become exercisable and the extent to which an Option will vest or will be exercisable in instalments (the "**Vesting Schedule**") and such Vesting Schedule shall be set forth in the applicable Option Agreement. For example, the Board may, in its sole discretion, provide that the vesting of an Option be dependent on the passage of time and/or on the achievement of specified milestones or thresholds. Options will generally vest and therefore be exercisable as to one-third of the Shares under such Option on each of the first, second and third year anniversary of the Date of Grant of the Option. The Board may accelerate the date upon which an Option or any instalment thereof becomes exercisable.

- (b) Once a portion of an Option vests and becomes exercisable, it shall remain exercisable until expiration or termination of such Option in accordance with, among other sections, Section 4.6, unless otherwise specified by the Board in connection with the grant of such Option.

Each Option must be confirmed by an agreement (an “**Option Agreement**”), in the form of the option agreement attached hereto as **Exhibit “A”** (as may be amended by the Board from time to time, and with such changes thereto as may be necessary for any particular Option to a particular Optionee), signed by the Corporation and by the Optionee.

4.6 Exercise of Option

- (a) Each Option grant or any part thereof may be exercised at any time or from time to time, in whole or in part, for up to the total number of Shares with respect to which it is then exercisable.
- (b) In order to exercise an Option, an Optionee shall deliver to the Corporation at its registered office (or other office designated in writing by the Corporation to the Optionee), a completed Notice of Exercise substantially in the form attached hereto as **Exhibit “B”**. Such notice shall specify the number of Shares the Optionee desires to purchase and shall be accompanied by payment in full of the Exercise Price for such Shares. Subject to the provisions of the immediately following sentence, payment may be made by bank draft or certified cheque payable to the order of the Corporation at the time of exercise. Upon receipt of payment in full, the number of Shares in respect of which the Option is exercised will be duly issued as fully paid and non-assessable.

- (b) materially breached any contract with or materially violated any fiduciary obligation to the Corporation or become involved with a competitor of the Corporation; or
- (c) engaged in any illegal insider trading or other unlawful activity in relation to the Corporation;

then, effective as of the date notice of such misconduct is given by the Corporation to such Optionee, any further rights to exercise the Options granted to such Optionee shall be forfeited, unless the Board shall determine otherwise.

4.8 Prohibition on Transfer of Options and Shares

- (a) An Option is personal to the Optionee and is non-assignable and non-transferable, and subject to Section 4.9, such Option shall be exercisable during the Optionee’s lifetime only by the Optionee to which such Option has been granted. No Optionee may deal with any Option or any interest in it now or hereafter held by the Optionee except in accordance with the Plan. A purported transfer of any Option will not be valid and the Corporation will not be required to issue any Shares upon the attempted exercise thereof.
- (b) Shares issued upon exercise of Options are subject to transfer and resale restrictions pursuant to the constituting documents of the Corporation, any existing shareholders agreement and Applicable Law. The Optionee is responsible for obtaining such legal advice as may be appropriate in connection with any transfer or resale of Options and Shares issued upon the exercise thereof.

Any Options granted to such Optionee that are not exercisable at the Termination Date shall immediately expire and be cancelled on such date.

- (e) Where, in the case of a Consultant Optionee, such Optionee's consulting agreement or arrangement is terminated by the Corporation or an Affiliated Corporation for material breach of the consulting agreement or arrangement (whether or not such termination is effected in compliance with any termination provisions

contained in such Optionee's consulting agreement or arrangement), then any Options granted to such Optionee, whether or not such Options are exercisable at the Termination Date, shall immediately expire and be cancelled on the Termination Date contemporaneously with such termination.

- (f) Unless the Board, in its discretion, otherwise determines at any time and from time to time, Options shall not be affected by any change of employment or consulting arrangement within or among the Corporation or an Affiliated Corporation for so long as an Employee Optionee continues to be an employee of the Corporation or an Affiliated Corporation, or for so long as the Executive Optionee continues to be a director or officer of the Corporation or an Affiliated Corporation, or for so long as the Consultant Optionee continues to be engaged as a consultant to the Corporation or an Affiliated Corporation, as the case may be. For greater certainty, if an Optionee ceases to be an Executive Optionee but remains an Employee Optionee, the Options granted to such Optionee shall not be affected by such change.

4.11 Change of Control

Notwithstanding anything contained to the contrary in this Plan, the Board may, at the time of issuance of the Option or at any time prior to the exercise of the Option, amend the Option to provide that in the event that:

- (a) the Corporation accepts an offer to amalgamate, merge or consolidate with any other corporation (other than a wholly-owned subsidiary) or in the event that holders of greater than 50% of the Corporation's outstanding Shares accept an offer made to all or substantially all of the holders of the Shares of the Corporation to purchase in excess of 50.1% of the current issued and outstanding Shares, or
- (b) the sale by the Corporation of all or substantially all of the assets of the Corporation, either as an entirety or substantially as an entirety, so that the Corporation shall cease to operate as an active business,

then all of the unvested Options shall, without any further action on behalf of the Corporation, be automatically vested. Each Optionee shall thereafter be entitled to exercise all of such Options at any time up to and including, but not after the earlier of: (i) the close of business on that date which is thirty (30) days following the date of acceptance by the Corporation of such transaction; and (ii) the close of business on the expiration date of the Option. Upon the expiration of such thirty (30) day period, all rights of the Optionee to such Options or to the exercise of same (to the extent not theretofore exercised) shall *ipso facto* terminate and have no further force or effect whatsoever.

4.12 Discretion to Permit Exercise

Notwithstanding the provisions of Sections 4.9 and 4.10, the Board may, in its sole discretion, at any time prior to or following the events contemplated in such Sections, permit the exercise of any or all Options held by an Optionee in the manner and on the terms authorized by the Board, provided that the Board shall not, in any case, authorize the execution of an Option pursuant to this Section beyond the date of expiration specified in the Option Agreement or in the resolution of the Board granting such Option, as the case may be.

4.13 Limits on Grants

No Options shall be issued to any Eligible Person if such issuance could result, at any time, in:

- (a) the aggregate number of Options granted under this Plan, together with any securities issued or granted pursuant to any of the Corporation's other share compensation arrangements, to any one Consultant Optionee in a 12-month period exceeding 2% of Outstanding Shares, calculated at the date an Option is granted to such Consultant; or
- (b) the aggregate number of Options granted under this Plan, together with any securities issued or granted pursuant to any of the Corporation's other share compensation arrangement, to all Eligible Persons retained to provide investor relation services in any 12-month period exceeding 2% of Outstanding Shares, calculated at the date an Option is granted to any such Eligible Person.

4.14 Terms or Amendments Requiring Disinterested Shareholder Approval

The Corporation will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:

- (a) the Plan, together with all of the Corporation's other share compensation arrangements, could result at any time in the aggregate number of Options granted to any one Optionee in a 12-month period exceeding 5% of Outstanding Shares, calculated on the date an Option is granted to such Optionee; or
- (b) any reduction in the Exercise Price of an Option previously granted to an Insider.

**ARTICLE V
GENERAL**

5.1 Capital Adjustments

- (a) The existence of any Options shall not affect in any way the right and power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization, or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Section 5.1(a) would have an adverse effect on the Plan or any Option granted hereunder.
- (b) If there is any change in the outstanding Shares by reason of a stock dividend, or split, recapitalization, consolidation, combination or exchange of shares or other similar corporate change, subject to any prior approval required of applicable regulatory authorities, the Board will make appropriate substitution or adjustment in:
 - (i) the Exercise Price of unexercised Options;
 - (ii) the number or kind of shares or other securities reserved for issuance pursuant to the Plan; and
 - (iii) the number and kind of shares subject to unexercised Options theretofore granted and in the Exercise Price of those shares,

provided, however, that no substitution or adjustment will obligate the Corporation to issue or sell fractional shares. The determination of the Board as to any adjustment, or as to there being no need for adjustment, will be final and binding on all parties concerned.

5.2 Conditions of Exercise

The Plan and Options are subject to the requirement that if at any time the Board determines that: (a) the listing, registration or qualification of the Shares subject to such Option upon any stock exchange or quotation system or under any provincial, state or federal law, or that the consent or approval of any governmental body, stock exchange or quotation system or of the holders of the Shares generally, is necessary or desirable, as a condition of, or in connection with the granting of such Option or the issuance of Shares upon the exercise thereof; or (b) the grant of an Option or the issuance of Shares upon the exercise thereof is in conflict with or is inconsistent with Applicable Law, no such Option may be granted or exercised in whole or in part unless such listing, registration, qualification, consent or approval has been effected or obtained or such conflict or inconsistency is no longer outstanding, each free of any conditions not acceptable to the Board. The Optionees shall, to the extent applicable, co-operate with the Corporation in relation to such registration, qualification or other approval and shall have no claim or cause of action against the Corporation or any of its officers or directors as a result of any failure by the Corporation to obtain or to take any steps to obtain any such registration, qualification, or approval.

5.3 Amendment and Termination

- (a) The Board may amend, suspend or terminate the Plan or any portion of it at any time in accordance with Applicable Law and subject to any required regulatory, Exchange or shareholder approval. However, subject to the terms hereof, unless consent is obtained from the Optionee affected, no amendment, suspension or termination may alter or impair any Options, or any rights related to Options, that were granted to that Optionee prior to the amendment, suspension or termination.
- (b) If the Plan is terminated, the provisions of the Plan and any administrative guidelines and other rules adopted by the Board and in force at the time of termination of the Plan will continue in effect as long as any Option remains outstanding. However, notwithstanding the termination of the Plan, the Board may make any amendments to the Plan or to any outstanding Option that the Board would have been entitled to make if the Plan were still in effect.
- (c) Subject to Applicable Law and to any necessary prior approval of applicable regulatory authorities and with the consent of the affected Optionee, the Board may amend or modify any outstanding Option in any manner, including, without limitation, by changing the date or dates as of which, or the price at which, an Option becomes exercisable, so long as the Board would have had the authority to grant initially the Option as so modified or amended. The Board shall not, in the event of any such advancement or extension, be under any obligation to advance or extend the date on or by which Options may be exercised by any other Optionee.

5.4 Status as Shareholder

Optionees shall not have any rights as a shareholder with respect to Shares until:

- (a) full payment of the Exercise Price for the Shares has been made to the Corporation; and
- (b) the Optionee becomes a party to any existing shareholders agreement by executing and delivering to the Corporation an assumption agreement, in form and substance satisfactory to the Corporation whereby the Optionee agrees to be bound by any existing shareholders agreement.

Upon becoming a shareholder of the Corporation, an Optionee may only transfer Shares in accordance with and subject to Applicable Law and the constating documents of the Corporation.

5.5 Withholding Taxes

The exercise of each Option granted under the Plan is subject to the condition that if at any time the Corporation determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Corporation. In such circumstances, the Corporation may require that an Optionee pay to the Corporation, in addition to and in the same manner as the Exercise Price for the Shares, such amount as the Corporation is obliged to remit to the relevant taxing authority in respect of the exercise of the Option. Any such additional payment is due no later than the date as of which any amount with respect to the Option exercised first becomes includable in the gross income of the Optionee for tax purposes.

5.6 Non-Exclusivity and Corporate Action

- (a) Subject to any required regulatory or shareholder approval, nothing contained herein will prevent the Board from adopting other additional compensation arrangements for the benefit of any Optionee.
- (b) Nothing contained in the Plan or in the Options shall be construed so as to prevent the Corporation or any subsidiary of the Corporation from taking corporate action which is deemed by the Corporation or the subsidiary to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan.

5.7 Employment and Board of Directors Position Non-Contractual

The granting of an Option to an Optionee under the Plan does not confer upon the Optionee any right to continue in the employment of the Corporation or any Affiliated Corporation or as a member of the Board, as the case may be, nor does it interfere in any way with the rights of the Optionee or of the Corporation's rights to terminate the Optionee's employment or consulting arrangements at any time or of the shareholders' right to elect one or more directors of the Corporation.

5.8 Indemnification

Every member of the Board will at all times be indemnified and saved harmless by the Corporation from and against all costs, charges and expenses whatsoever including any income tax liability arising from any such indemnification, that such Board member may sustain or incur by reason of any action, suit or proceeding, taken or threatened against the Board member, otherwise by the Corporation, for or in respect of any act done or omitted by the Board member in respect of the Plan, such costs, charges and expenses to include any amount paid to settle such action, suite or proceeding or in satisfaction of any judgement rendered therein.

5.9 Notices

All written notices to be delivered by the Optionee to the Corporation may be delivered personally, by facsimile or by registered mail, addressed as follows: 333 Bay Street, Suite 1700, Toronto, Ontario M5H 2R2, Attention: Chief Financial Officer.

Any notice delivered by the Optionee pursuant to the terms of the Option shall not be effective until actually received by the Corporation at the above address. Any notice to be delivered to the Optionee shall be effective when delivered personally (effective at the time of delivery), by facsimile transmission (effective one day after transmission) or by registered mail to the last address of the Optionee on the records of the Corporation (which shall be deemed effective the third Business Day after mailing).

5.10 Governing Law

This Plan is created under and is to be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

5.11 Effective Date

This Second Amended and Restated Stock Option Plan will become effective as of February 1, 2018 upon its adoption by resolution of the Board and approval of shareholders of the Corporation.
